

WATER SAFETY DAY

The Y believes that developing proper swim skills significantly reduces the risk of water-related accidents, encourages a healthy lifestyle, and builds confidence in and around the water. Join us 26 June at the Camana Bay Sports Complex for the YMCA's Ready to Respond 'Water Safety Day'! This event will include a free swim skill assessment along with an educational resource package, including a tool to help participants safely develop their swim skills this upcoming summer season. Participants will also have the opportunity to connect with like-minded organisations to learn more about water safety related programmes and services in our community.

EVENT DETAILS:

- Date: 26 June 2021
- Time: 9:00am-12:00pm (swim assessments from 9:00-11:30am)
- Location: Camana Bay Sports Complex Pool
- Registration: same-day registration
- What to Pack: towel & swim suit
- Contact: 916-8587 / aquatics@ymcacayman.ky
