

Drone Making Workshop

21 & 22 August 2021 • 8am to 3pm

Build and fly your very own drone!

This hands-on workshop designed for students between the ages of 16 and 19 years will take participants on an immersive summer learning experience. Learn all about drone technology and meet the experts. The event takes place at the University College of the Cayman Islands from 8am to 3pm. The registration fee is CI \$50 per student and includes breakfast, lunch and all of the workshop equipment and materials to build and take home your very own drone.
