

PSA

The Health Services Authority (HSA) is in the process of merging its manual vaccination records with its Electronic Medical Records therefore some verification is necessary to ensure that all information collected from the Cayman Islands COVID Vaccination Programme is accurate.

The Health Services Authority (HSA) may call from the numbers below to verify information provided by some persons who have received the COVID-19 vaccine:

244-2610

244-2617

244-2614

244-2700

244-2600

244-2779

244-2780

244-2783

244-2784

925-6908

www.hsa.ky

Once this is complete persons who received their COVID-19 vaccinations in the Cayman Islands will have secure, on-demand access to their digital vaccination certificates via the MyHSA Patient Portal.
